

# What is CancerCARE?

## A Benefit Specialized In Dealing with Cancer

The CancerCARE Program is an additional benefit, provided by your health plan, that focuses on helping members diagnosed with cancer. Our passionate medical team will oversee your cancer treatment and ensure the optimal treatment path with proven results is being followed. We are your cancer advocates and will strive to lead you and your dependents to survivorship!

### Day One Help

We are available to help you from the day of your diagnosis and beyond. You can register for the program at any point in your cancer journey to gain access to our resources and support. Registration is available through our website or by phone.

### Personalized Care

Once you are part of the program, a dedicated nurse will be with you every step of the way. This nurse will be available to answer any questions you might have as well as make sure you are receiving ideal treatment for your diagnosis.

### National Resources

Through CancerCARE, you will have access to some of the best doctors, hospitals, and technology nationwide. We will work with your local oncologist to make sure all treatment options are considered, not just local ones.

### Expert Medical Team

Our medical staff has decades of experience treating cancer and we pride ourselves on staying up-to-date with the latest cancer treatments and technology. Each medical staffer has unique cancer expertise and background.

### **29 y/o Survivor Mis-diagnosed with Lymphoma**

"Struggles turn us into people we didn't know we could be, and cancer is no different. CancerCARE saved my life when I was misdiagnosed with lymphoma weeks after my cervical cancer diagnosis. They helped me turn my struggle into grace, strength, and knowledge to fight back. And that is an empowering combination."

### **56 y/o Survivor Diagnosed with Esophageal Cancer**

"I don't know how I would have made it through this treatment without your help and support. It is great to know if I have questions or problems, I can just call, and you angels take care of it."

### **29 y/o Survivor Diagnosed with Ovarian Cancer**

"It is so nice to have someone fighting for me and helping me through all of this."

### **49 y/o Survivor Diagnosed with Renal Cell Carcinoma**

"I'm not sure what I would have done without your help. You arranged for a second opinion at a hospital I didn't even realize I could go to and they recommended a totally different treatment. I have no way to thank you for possibly saving my life."
