

Welcome to Paradise Island!

We're thrilled to have you.

This is The Pulse, ParetoHealth's round-up of our latest key information, news, and events—delivered right to your inbox on the first of each month.

But a special occasion calls for a special edition.

The Pulse includes monthly doses of:

- Useful information for Members and consultants, including blog posts, podcast updates, and renewal dates. (Are you keeping up with our blog? Check out CSO Mike Wright's post explaining how ParetoHealth is the solution to a flawed insurance industry.)
- Event updates, including seminars, webinars, and Members' Meetings.
- Insights into important factors affecting your healthcare plan and the latest results of our cost-containment efforts.

If you haven't seen the digital edition for May, you won't want to miss it. You'll get key information, including:

- ParetoHealth's new MCCI Report.
- Information on the upcoming renewal season.
- Upcoming webinars and seminars.
