

Discover HPI

For Self-Funded Health Care Benefit Solutions

A leader in comprehensive health benefit administration and risk management solutions for self-funded employers.

HPI redefines what is possible with self-funded health plans. As a third-party administrator, we partner with health plan brokers and employers to provide innovative self-funding strategies and customized plans tailored to each client's needs and population. Our solutions give employers greater cost transparency and control, while elevating the member experience. It is our flexible approach, entrepreneurial spirit and commitment to quality, technology, and service that enable us to deliver premium value to our customers.

Get to Know HPI

HPI partners with your broker to deliver a customized plan that both your CFO and your employees will love. We know how to drive costs down and manage risk, while elevating your employees' health insurance experience. We bring you expertise, technology, accountability and transparency that result in greater cost efficiencies and lower population health risk.
